7 July 1960

Cond

The Honorable Per Jacobsson/
Chairman of the Executive Board
and Managing Director
International Monetary Fund
19th and H Streets
Washington, D. C.

Dear Fer:

Many thanks for sending me the interesting photographs taken at your reception several weeks ago. I was particularly gratified to be photographed with your lovely daughter.

I have been away in Europe for the past three weeks which accounts for the delay in sending you my thanks.

If ever I should write up the Japanese peace negotiations, I shall use the photograph of the two of us engaged in earnest conversation even though it postdates the other event by some fifteen years.

Sincerely,

AWD/ji 1 - DCI 1 - ER
